Subject: Excellent Experience with Havelock Pool Company

We selected Havelock Pool to add a beautiful and functional pool to our yard. We were very impressed with their professionalism, attention to detail, expertise and total focus on client satisfaction! We are enjoying a pool that is state of the art in technology and comfortable for an extended swimming season in North Carolina.

We interviewed many other vendors and selected Havelock Pool for their expertise and competitive pricing. At the beginning of this project, we did not know how important that expertise would be in installing the pool systems, coordinating the electrical, landscaping and water systems. Havelock did it quickly, efficiently and took care to teach us how to make it work properly. They have been more than willing to come back, make adjustments, answer questions and advise us on how to get the best experience from our pool.

We would highly recommend them to anyone considering a pool- you will be extremely satisfied with Havelock Pool!
